

Dear the WenLin Chinese School,

Thank you so much for your donation of £1182.47 to Little Village that you raised via your concert for our Crisis Fund for Afghan children arriving in London.

We were so moved by the students donating their savings from tooth fairy visits, helping with home chores, busking and selling toys and books in car boot sales.

In the first week of our work, coordinating an emergency response to support families arriving from Afghanistan, we had already provided over 500 children with essential items. These families are under unimaginable stress and many are arriving in the UK with nothing but the clothes on their backs.

Thanks to the support we have received we will also be able to provide much bigger bundles of clothing and kit for children once they're out of quarantine and respond to the ongoing need of the families once they have been housed in London. This is on top of the 100+ families living in poverty that we support across London every week.

Donations such as yours put us in a strong position to keep meeting the needs of families across London. Once again, thank you for your generosity.

Warm regards,

Sophie Livingstone MBE  
CEO of Little Village
